## Breakout Sessions

### **“Hope Pursued is Strength Renewed.”**

Led by: Alison Buck

“What does it mean to wait on the Lord? How can we remain hopeful while waiting? During this session, we will use our senses of sight, taste, touch, hearing, and smell to actively engage our faith through hands-on participation and interaction together. It’s my prayer that you will recognize new insights of hope and that there will be powerful applications to strengthen your daily walk with Christ.”

### **“Do We Need Women’s Ministries? You betcha! Women’s Ministries point women to the God of HOPE.”**

Led by: Norma Klock

If you currently have a women’s ministry group or are interested in starting one at your church, you’ll want to join us. We’ll be looking at why Women’s Ministries is STILL a vital part of today’s church and how to start a group.

### **Discipleship in Today’s World.**

#### **Learning How to Step Out and Be His Church of HOPE.**

Led by: Pastor Marcie Marasia

Come join me in an interactive discussion on what discipleship can look like in today’s world. I will have current examples and tools to use as we reach those who have left or have never been a part of the Christian family.

### **“Choices: They can lead you away from or closer to His Hope.”**

Led by: Ashley McDonald

God did not promise that we wouldn’t go through tough times, but he did promise to never leave or forsake us. He offers us HOPE for our journey. So, when life throws us curveballs, like a traumatic event, we have to make a choice: Do we blame God? Give up? Walk away from Him? Or stay, put on our armor, and fight?

### **Remaining HopeFULL despite hopeless Suffering.**

Led by: Linda Draper

Have you ever asked, “Where is God when I’m in the midst of great pain? Has God forgotten me? Has He abandoned me?” Then join Linda as she shares about His promises of hope to His children during our darkest days.
